AGRAVAT MAHAVIRBHAI RAJESHBHAI

PROJECT ENGINEER

AGRAVAT MAHAVIRBHAI RAJESHBHAI
Graduate Engineer Trainee – Mechanical | Adani Infra (India) Ltd
Bhavnagar, Gujarat, India| +91 9313788428
Email: mahaviragravat12@gmail.com LinkedIn: linkedin.com/in/mahaviragravat

OBJECTIVE

Results-driven Mechanical Engineer with hands-on experience in project execution, fabrication, and maintenance within industrial and infrastructure projects. Skilled in mechanical design, planning, and process optimization, with a focus on safety, cost efficiency, and quality. Seeking to contribute to challenging engineering projects in India or abroad.

EXPERIENCE

MAY 2025 to Current Working
Graduate Engineer Trainee Mechanical – Adani Infra India Limited

- Supporting execution of mechanical works including equipment installation, piping, and structural activities.
- Coordinating with vendors and contractors for timely progress and material management
- Preparing technical reports, RFIs, and progress documentation for project tracking.
- Observing plant commissioning procedures and ensuring adherence to safety and quality standards.
- Exposure to project planning, budgeting, and documentation using MS Project and SAP.

SEP 2024 to MAY 2025
Apprentice (Workshop Department) – Sumitomo Chemical India Limited

- Assisted in maintenance of mechanical equipment, fabrication, and repair activities.
- Supported preventive maintenance and root cause analysis for equipment failures.
- Learned basics of piping fabrication, alignment, and workshop documentation.
- Participated in manpower and resource planning for daily operations.

EDUCATION

- Bachelor of Engineering – Mechanical Engineering
- Shantilal Shah Government Engineering College, Bhavnagar
- CGPA: 8.04 / 10
- Year of Graduation: 2024

COMPUTER SKILLS

- Microsoft Office
- Autocad
- Power BI
- SAP
- MS Project

CERTIFICATIONS

- Project Management Professional – Simplilearn
- Professional Quality Engineer – Itronix Solutions
- AutoCAD Foundation – SourceCAD
- Power BI Essentials – E-Vidyalaya (Adani learning)

TECHNICAL SKILLS

Design & Drafting: AutoCAD, SolidWorks (Learning), Isometric Piping Drawing
Project Tools: MS Project, Excel (Advanced), Power BI, SAP ERP
Engineering Expertise: Fabrication, Maintenance, Installation, Project Planning, Resource Management
Quality & Safety: Kaizen, Kanban, RCA, FMEA, Poka-Yoke, 5S, Cost Reduction
Soft Skills: Reporting, Observation, Leadership, Team Coordination, Communication

PROJECTS & ACHIEVEMENTS

- Assisted in piping layout and mechanical structure execution at Adani Cement Project.
- Implemented minor cost reduction through material reuse during apprenticeship at Sumitomo.
- Prepared workshop process documentation and safety training materials.

- MS Project for Engineering Professionals – Coursera

PERSONAL DETAILS

- Date of Birth: [10/05/2003]
- Nationality: Indian
- Marital Status: Single

LANGUAGES

- English – Professional Working Proficiency
- Hindi – Native
- Gujarati – Native
